

## PAWS UNITED PET EXPO 2018

### DONATION REQUEST

Dear Community Supporter:

PAWS United Network was formed in 2015 by like-minded people who have united together with the mission to educate and raise awareness of the staggering needs of homeless animals in shelters and rescues located in Hardin and neighboring communities. We are the voice for the abandoned, abused, neglected and surrendered animals that are in our own back yards and streets. The funds raised by this charitable event will help cover veterinary fees, spaying/neutering costs, medicine, food, bedding, kennels, supplies and shelter maintenance. Our goal and commitment is to help shelters and non-profit rescues with resources they need to operate while finding life-long forever homes for the animals in their care.

Our fourth annual Pet Expo will be held on Saturday, April 14, 2018 from 10:00 am - 3:00 pm at Pritchard Community Center in Elizabethtown. The Pet Expo will be advertised through community events, chamber, and other venues as well as multiple media resources including but not limited to Facebook, newspaper and radio.

The Pet Expo will include several rescue and shelter groups, pet-related and non-pet-related vendors exhibiting their goods and services, educational information, and training demonstrations. We have a day packed with fun for the entire family, to include shopping, entertainment, pet fashion show, "Smooch the Pooch" kissing booth, food, and most importantly...the largest pet adoption event in our community under one roof.

We realize every community has many needs, we are asking if you would consider the needs of homeless pets and help with a donation of any amount to support the life-saving work of animal rescues. If you are not able to donate monetarily, a door prize or silent auction item would be greatly appreciated.

---
